

## QUALITY ASSURANCE POLICY

The management of Aulfon Construction Limited is committed to always delivering Managed and Monitored Quality to meet with the satisfaction of the Clients, Consultants, Local Authorities, Utility Providers, Building Owners/Occupiers and the like.

Aulfon Construction Limited management will:

- Set Quality Assurance objectives and performance criteria for QA Manager to apply to each trade.
- Annually review Quality Assurance objectives and QA Manager's performance.
- Encourage accurate and timely reporting and recording of Quality Assurance processes and procedures.
- Investigate all reported Quality Assurance issues to identify contributing factors and where appropriate formulate plans for corrective action.
- Actively encourage early reporting of any Quality Assurance issues.
- Encourage employee consultation and participation in all Quality Assurance matters.
- Ensure that all contractors and subcontractors are actively managing Quality Assurance for themselves and their employees.
- Promote a system of continuous improvement, including annual reviews of policies and procedures
- Meet our obligations under the Building Performance Guidance 2015, codes of Practice, ISO9001 Quality Management Certification, and any relevant standards or guidelines.
- Properly using Quality Assurance processes and procedures provided.

A committee includes representatives from senior management, members of the Health, Safety, Environmental & Quality Assurance Department, is responsible for implementing, monitoring, reviewing, and planning Quality Assurance policies, systems, and practices.
